Shinerama is Canada's largest post-secondary fundraiser in support of Cystic Fibrosis Canada. Over 20,000 student volunteers from 37 Canadian universities and colleges come together every year to make a difference in the lives of those battling cystic fibrosis (CF).

Wilfrid Laurier University (WLU) Waterloo has participated in Shinerama since 1961 raising over \$3.1 million for the fight against cystic fibrosis. The funds raised by WLU Waterloo students throughout the years have significantly helped to improve the lives and lengthen the lifespans of those living with cystic fibrosis. In 2021, WLU Waterloo students will continue to #ShineforCF by fundraising for leading-edge research, high-quality care and advocacy efforts that will advance access to life-saving CF medicines in Canada.
